4th -- week of April 2nd (tuition & 1/2 Elsinore fee - \$40)

Each family pays an "Elsinore fee" instead of buying tickets for our Elsinore Theater performances.

1pm matinee & 7pm evening performances are on

Saturday, May 19th 2018.

Most preschool classes perform at the matinee. Some older, more skilled students perform in both programs. The event always is "sold out" and it gets rave reviews from our audiences.

Our goal is to keep you well informed! We provide this early information about future expenses so that you can plan the family budget accordingly. We're happy to work with you on a payment plan the fits your family's budget.

Planning costumes for our Elsinore performances

May 19th 2018

The Elsinore performances are visually stunning due to the beautiful costumes our students wear. Costs range from \$65 - \$110 with younger children's costumes toward the lower cost.

Costume deposit of \$40 due with the 2nd tuition.

Balances due by December 16th.
